Peace and Allah's mercy and blessings be on you
Allah Almighty said

"O you who believe! Shall I lead you to a merchandise which may deliver you from a painful chastisement? You shall believe in Allah and His Apostle, and struggle hard in Allah's way with your property and your lives; that is better for you, did you but know! He will forgive you your faults and cause you to enter into gardens, beneath which rivers flow, and goodly dwellings in gardens of perpetuity; that is the mighty achievement; And [UI] near at hand; and give good news to the believers."

Allah Almighty has spoken the truth

At the beginning my noble brother I truly ask Allah that you be among the winners
May Allah bless you and who walks on your path and who follows your path and who supports
you

To build this road which by His permission that the angels of the Gracious are who guarantee for
you and for me this path
Amin O Lord of the Worlds

So already I also was impressed by brother Hussein may Allah prolong his life and make him successful on his path so I already used to see the faith in his eyes and his face and the good intention and I already enjoyed myself in the time that I spent with him and I wished I was able to spend a longer time in the discussions which we went into hence I did not discuss

a lot with him due to the short of time

And I offer my apology because I did not avail myself all the day and he already came to me from a long distance thus by Allah I feel embarrassment

So you do not imagine how my happiness was when at the meeting time as I already felt that Allah and His angels had already been with us because everything was facilitated to the extent that

I did not find difficulty in finding the way at all

And I did not introduce myself to him this day as I was anxious to the extent that I forgot to tell him my name although the name of my grandfather is Hussein and the name of my brother is Hussein and his name is Hussein

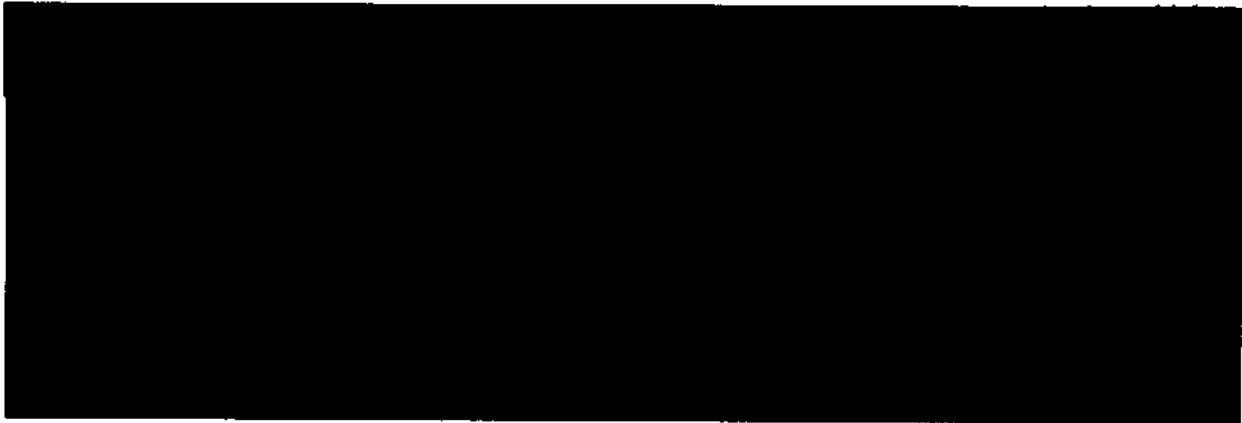

Beautiful coincidence

And also I descend from Al-Hasan and Al-Hussein may Allah be pleased with them
And Allah knows best

On all conditions

You already told me about opening an account on the secure e-mail and this is it

pass: 199halla!

And as for my method of communication in using the device of my friend then I surely Allah willing will buy a device especially for communication with you because I already used to own one and it already malfunctioned that is why already my responses were late sometimes so you are truthful the caution is necessary on all aspects for the safety of all before my safety

And Allah willing about the secrecy

So I will never forget from the Honorable Prophetic Sunna

So the Messenger of Allah may Allah's blessing and peace be upon Him truly said

"Carry out your affairs in secrecy"

the Honorable Messenger Has spoken the truth

I indeed give you a pledge there will not be any kind of the kinds of the information leak even if my capture took place one of these days and my placement in Guantanamo took place and cutting me to pieces and cutting my father and my brother to pieces took place in front of my eyes so indeed Allah's word is the Most High I do not say to you that I am a human being my eyes already dried up from the faith and but I love Allah and His Messenger dearer to me than myself and I love your safety before the safety of me and my relatives because you are from my relatives thus woe unto him who feared but from Allah be He exalted

So the victory is coming Allah willing we will strike America the fatal blow until it falls asking the help from its allies who are falling in our grips and for there will be strikes the world witnesses them and Allah willing that I see the face of the dog Bush the curse of Allah be on him and on his assistants leaders of the Arabs and we will strike their embassies and their interests around the world even in my own home Amman embassy of the Zionists which is headed by the second dog in Amman I do not want to mention his name because he is the servant of Bush and he does not deserve the name 'Abdallah the Second may Allah honor this name from this traitor seller of his honor and his homeland and it is Allah whose help is sought
And peace and Allah's mercy and blessings be on you

I go now preparation to meet the father and pleasing of Allah may He be exalted
May Allah keep you
Al-Hussam
Aba al-Ayyubi

My greeting to the brother al-Karkhi who introduced me to you
